What you get out of each day is up to you. Did you have any amazing adventures today? Non-stop fun? Did you have a chance to discover your potential? Girl Scouts offers endless ways to turn boring days into days you'll remember all your life.

Think it's a full year commitment? Think again.

There are so many flexible new ways to participate. Girls do not have to be in a troop to join Girl Scouts - there are many different pathways to choose (see sidebar to the right). Choose one or choose them all. What's your pathway?

Camp. Do you love learning about nature and the environment? You can choose to camp with us by day or overnight.

Events. Most girls have more than one passion. Maybe storytelling, and acting and dancing. Choose events centered on your favorites.

Series. Everything's more fun when you're sharing it with others who love the same things. Our series let you explore interests together in a way that fits your schedule.

Travel. Want to go places? Girl Scouts do. When they see and experience new things, it's always an adventure they'll never forget.

Troop. Meeting regularly, girls can share amazing experiences...learn to make a difference in your community... and have lots of fun!

Virtual. Girl Scouting via the Internet? Hey, it's 2011. As a virtual Girl Scout, girls can join in exciting interactive activities with girls their age.
